COVID HAD POOL

OPEN - CLOSED - OPEN - CLOSED Then OPEN AGAIN

It is a confusing time for everyone with all the rules, regulations and guidelines that need to be followed and constantly changing but, our pool is open and operating as usual. Please, take care of yourselves, your family and your neighbors. Be thoughtful of others and social distance in the pool area. During these hot days of summer the last thing we, as a community, would have to do is close the pool and pool area once again.

Board Meeting Highlights

The May Board of Directors Meeting was held on May 21st via Zoom due to COVID 19 . It was very interesting and worked well. Woodlake News forwarded Jim Mateka's meeting invitation to the Woodlake Community. During these changing uncertain times we may have to hold all our Board Meeting in this manner. Watch your email, Woodlake News will forward meeting information.
